JONRIC
Manisan

UI/UX Designer | Networking

About Me

I'm a multidisciplinary tech professional with a strong background in both UI/UX Design and network operations. I specialize in building modern, responsive web designs that deliver intuitive user experiences. As a Networking NOC Specialist, I also bring expertise in monitoring and maintaining network infrastructure, troubleshooting connectivity issues, and ensuring system uptime and performance. My dual skill set bridges creative UI/UX design with robust technical operations, allowing me to contribute effectively across both development and IT environments.
